RECOGNITION PROGRAM

The Nebraska Tobacco-free Worksite Directory & Recognition Program is a comprehensive listing of a worksites in Douglas County have a tobacco-free policy.

The directory and recognition programs were established to acknowledge worksites that have adopted Smokefree and tobacco-free policies. It was also established to encourage additional worksites to adopt or expand a smokefree policy and to assist employees who use tobacco quit.

Properties listed in the directory receive a certificate of recognition from the American Lung Association in Nebraska. Their name is also listed in the Smokefree Worksite Directory online.

The recognition level is based on the type of Smokefree, tobacco-free policy the property has adopted. There are 4 levels of recognition available, and levels will be updated as more units or portions of the grounds become Smokefree, tobacco-free.
